### **DAY 4 TAUPO – Mt RUAPEHU - AUCKLAND**

Today the day starts early, after breakfast we travel south to Turangi, before continuing on Tongariro National Park in the background by the three peaks of Ruapehu, Ngauruhoe and Tongariro. It normally snows from June to August in these regions and its lovely all around. We may drive up to the ski fields of , [Whakapapa](#) (weather permitting) and have some fun Skiing & snowboarding at *Mount Ruapehu*, NZ's largest ski and snowboard area. Ruapehu is one of the world's most active volcanoes and the largest active volcano in New Zealand. It is the highest point in the North Island and includes three major peaks: Tahurangi (2,797 m), Te Heuheu (2,755 m) and Paretaitonga (2,751 m). The deep, active crater is between the peaks and fills with a crater lake between major eruptions. Ruapehu has two commercial ski fields, [Whakapapa](#) on the northern side and [Turoa](#) on the southern slope. They are the two largest ski fields in New Zealand, with Whakapapa the larger. The season is generally from June to October but depends on snow and weather conditions. Both ski fields are accessible by car and chairlifts, with beginners' to advanced skiing slopes. Limited accommodation and refreshments are available at Top o' the Bruce (the car park at the top of Bruce Road) and at the entry to Whakapapa, and elsewhere on the mountain.

After having fun in Snow we drive back towards Auckland via Hamilton City. Your journey finishes evening 8pm. You can take mid night flights back to India from Auckland Airport or Choose option to stay back one more night.

We hope you had a “Jolly Good Tour” !!! ☺
